Control Cabinet Assembly and System Manufacturing from Saxony – Erzgebirge – Amtsberg

CONTROL CABINETS
BUILT TO MEASURE

MECHANICAL AND
ELECTRICAL ASSEMBLIES

TESTED
QUALITY

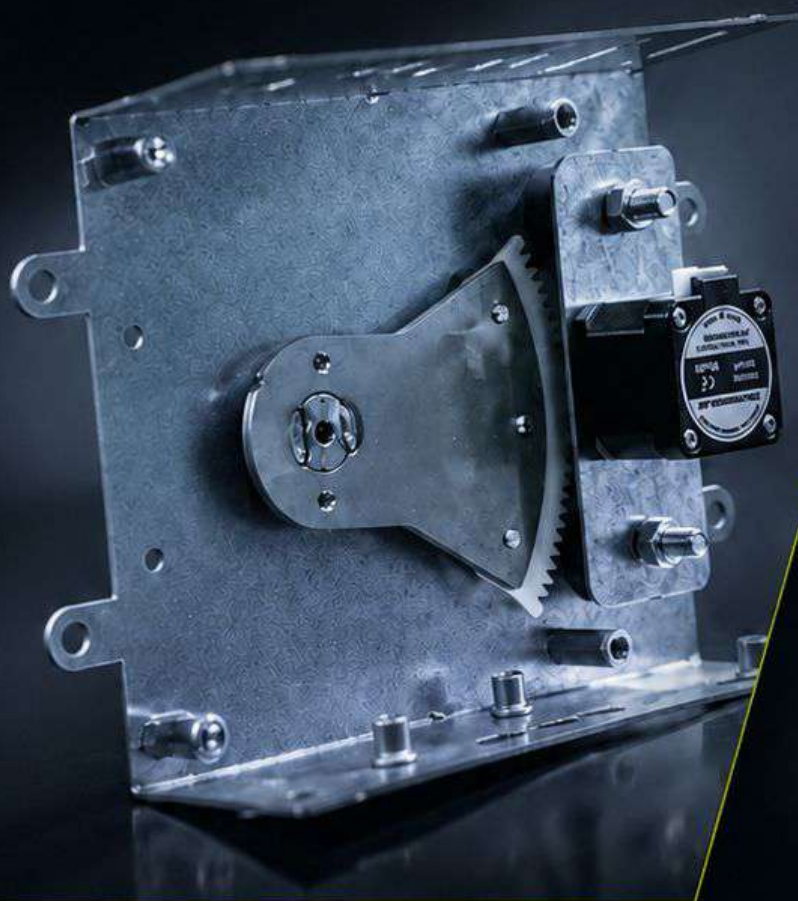

EVERYTHING
FROM A SINGLE SOURCE

System Assembly

Components, precisely assembled.

We assemble mechanical and electromechanical systems with the highest precision – for maximum functionality and reliability.

MECHANICAL SYSTEMS

Robust solutions for a wide range of applications and industries.

ELECTROMECHANICAL SYSTEMS

Intelligent connections of mechanics and electronics for complex requirements.

Control Cabinet Assembly^{UL}

Assembly according to individual customer requirements – reliable, safe and standard-compliant.

CUSTOMIZED

Tailored solutions according to customer specifications.

SAFE

Standard-compliant assembly for maximum safety and reliability.

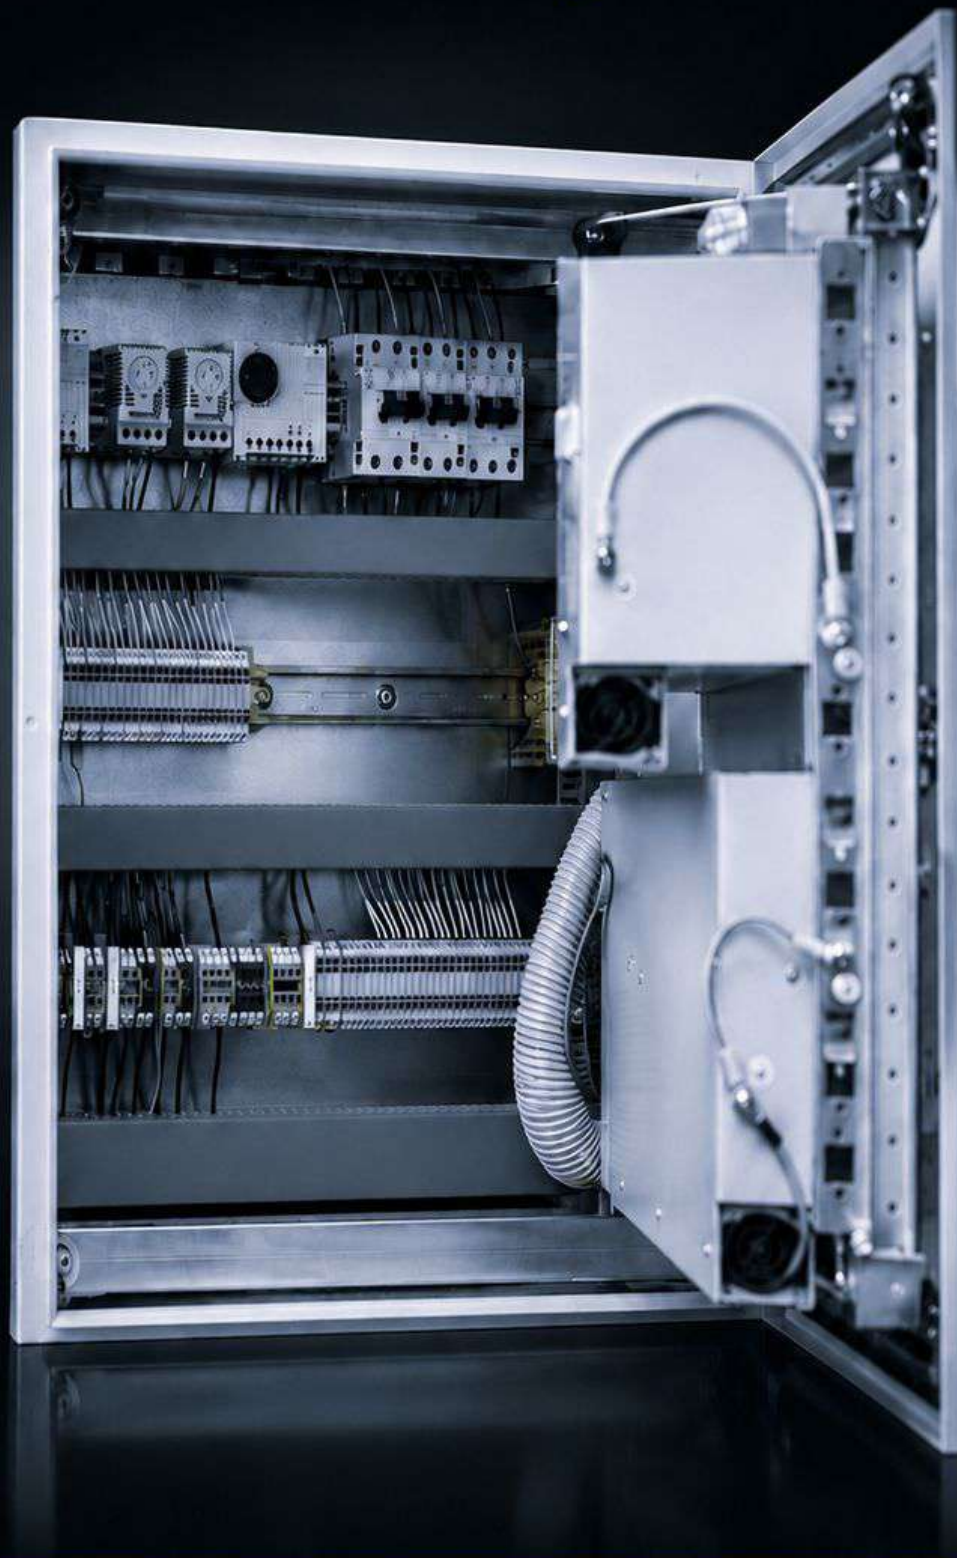

QUALITY TESTED

Every assembly is tested and documented before delivery.

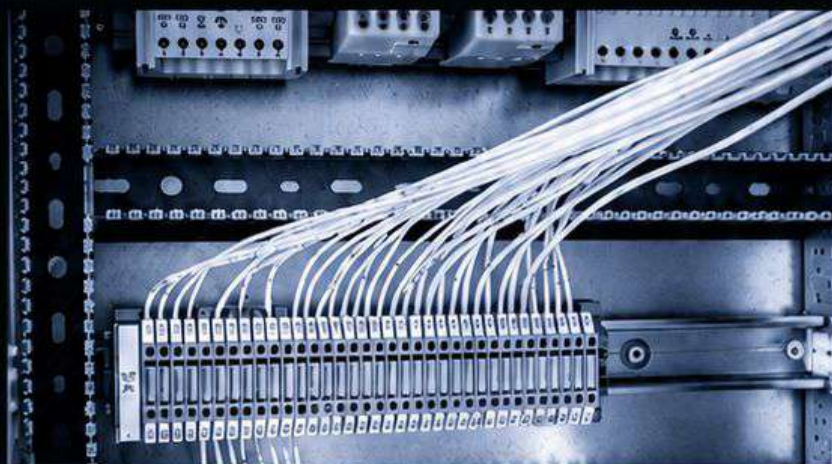

EFFICIENT

Experienced processes for on-time and cost-effective implementation.

Control Cabinet Solutions in Perfection.

From individual enclosures to
pre-assembled assemblies –
precise, reliable and ready for use.

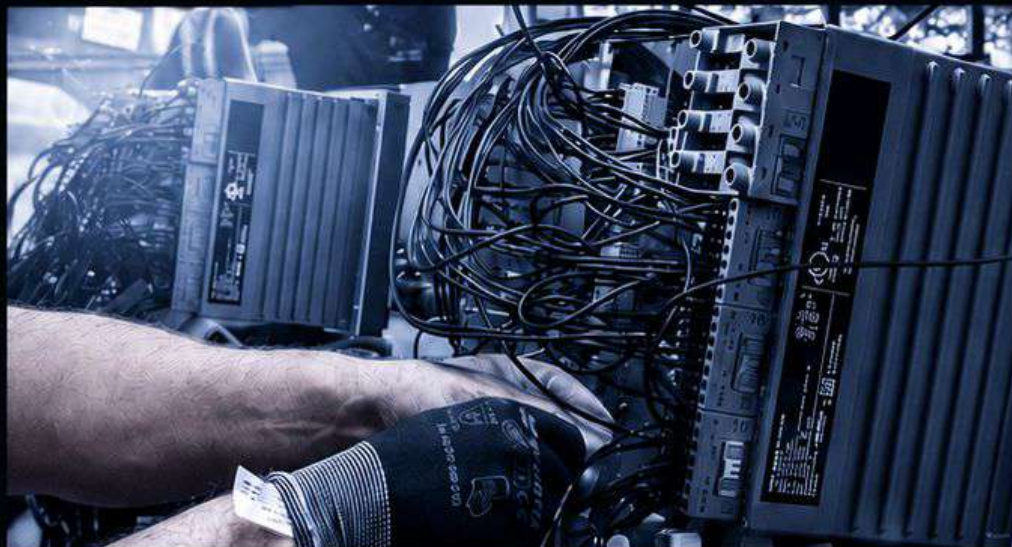

CONTROL CABINET WIRING

With labeled individual wires.
Clearly arranged, standard-compliant
and permanently labeled.

PRE-ASSEMBLED ASSEMBLY

Plug-and-play control cabinet assembly.
Pre-wired – simply install,
connect and ready.

PRECISELY PRE-ASSEMBLED

Each assembly is pre-assembled
with the utmost care.

TESTED & DOCUMENTED

100 % testing for maximum
safety and quality.

EFFICIENT & READY FOR USE

Time savings during installation
and commissioning.

Quality Management

QUALITY THAT CONNECTS.

Every cable, every assembly group and every control cabinet is checked with the utmost care – for maximum reliability and the best results.

100% Tested

Every cable, every assembly group and every control cabinet is tested 100% by us.

Trained Employees

Our experienced team works with know-how, precision and passion.

Maximum Reliability

Through consistent quality assurance, we guarantee products you can rely on.

We look forward to your inquiry!

Together, we develop the right solution
for your requirements.
